## Company Statement

Of all the American sportsmen who have competed around the world, none exemplified the character of a champion more than Bobby Jones. His unique sense of fair play, sportsmanship and gentlemanly conduct epitomizes the game of golf. But it is the character, respect and passion with which Mr. Jones lived that serves as our inspiration as well as to those who strive for excellence in life.

In our relentless quest to offer superior yet meaningful product, we celebrate Robert Tyre Jones, Jr. and work to reach the highest possible standards in everything we do. For more than a quarter century, Bobby Jones has provided men's and women's sportswear to demanding consumers who enjoy effortless style and calm confidence on and off the course.
