

**Golf
Shot**

A black and white illustration of a golf club head and a golf ball. The club head is positioned diagonally, with the club face pointing towards the bottom right. A golf ball is placed on the club face, directly in front of the 't' in the word 'Shot'. The ball is textured with a dimpled pattern. The club head has a dark, solid body with a lighter-colored face. The overall style is a high-contrast, graphic illustration.
