THE SHIELD RULES: CLEAR SPACE

The clear space has been established to ensure the Shield logo's visibility and impact. Maintaining the clear space between the Shield and other visual elements such as type, imagery, secondary logos, etc. ensures that the logo always will appear unobstructed and distinctly separate.

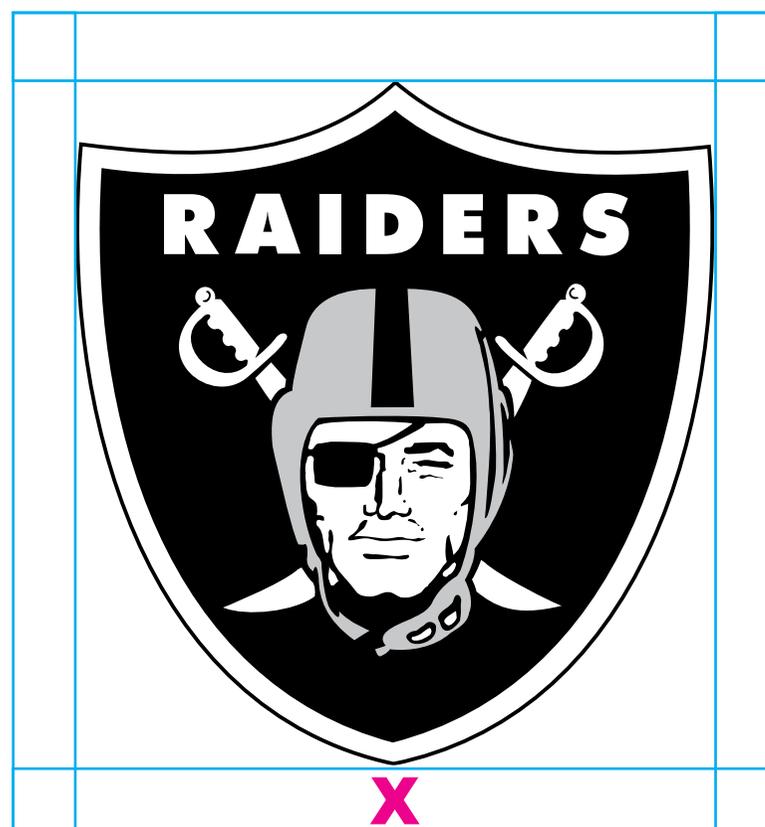

The clear space minimum of the Raiders Shield logo is represented by (X). This amount of clear space, at the very least, must surround the Shield in all applications.

PRINT

Clear space must be a minimum of 20% of the height of the Raiders Shield logo, and is represented by (X)

DIGITAL

Clear space must be a minimum of 10% of the height of the Raiders Shield logo, and is represented by (X)

PARTNER LOCK-UPS

Only the Raiders Shield logo should be used in partner lock-ups.

Horizontal partner logo lock-up usage should not exceed the height or twice the width of the Raiders Shield logo.

Partner logos which have similar width and height measurements should not exceed the width and height of the Raiders Shield logo.

1. The key-line is an opaque outline around the Raiders Shield logo that becomes visible on colored or photographic backgrounds.

Partner logos to be a MAXIMUM of 200% width of the Raiders Shield Logo and a MAXIMUM of 100% height of the Raiders Shield Logo.

Clear space between the Raiders Shield logo and partner logo or logotypes must be a minimum of 40% of the height of the Raiders Shield logo and is represented by (X).

2X

Dividing Line of 1 point width (minimum) must go between Raiders shield and partner logo and must not be taller than the Raiders shield logo. Examples to follow.

Clear space must be a minimum of 20% of the height of the Raiders Shield logo, and is represented by (X)

Note: color blocks and shapes have been superimposed on the graphic above to denote the proper value of (X) and are not part of the Raiders brand assets.

TYPOGRAPHY HEADLINE

AIRSTREAM

The Raiderettes have a distinctive logo. To compliment that logo on projects, Airstream is used as a headline font. To closer represent the Raiderettes logo, adjust the tracking to 50 to provide spacing between the letters.

Designer: Nick Curtis

PHOTOGRAPH SIGNATURE

As the Raiderettes' third and final font, Photograph Signature serves a much more distinct role: to help add glamour and grace to the Raiderettes' brand.

The Photograph Signature font is primarily used for headlines, autographs, and specific retail purposes.

Designer: typeline studio

Type Foundry: Creative Market

Licenses: Two seats: one for use by Raider Image; one for Raiderette social media and other Raiderette uses.
