PUBLIC & MINICIPAL COURSES

We offer a boutique, personalized service from single-course properties to expansive multi-experience operations. We have the exceptional talent and operational efficiencies of a large company with the attentive client and customer service of a small one.

With a mission to bring the private, member experience to public golfers, we established Kemper Lakes as a premium public golf facility in the U.S. and worked with the PGA of America to host the 1989 PGA Championship. Today we manage a coast-to-coast roster of some of the most prestigious and award-winning daily-fee golf courses, like Chambers Bay in Pierce County
