RE: Letter of Guarantee X336001194E - Proforma DR Solutions

ATTN: Scott Kovesdy

As you may know, PFG Ventures of Cleveland, Ohio is selling Proforma franchises that will market the products your company produces along with other related products. Since we began selling franchises, in late 1985, Proforma has become a nationally recognized force in the business forms, printing, and ad specialty industries. We have done this by building strong relationships with qualified manufacturers, such as your firm, to produce those products which are being marketed by our franchise network.

The purpose of this letter is to inform you of the financial relationship we have established with our franchise owners and to propose some guidelines for you to use in dealing with our franchise network.

Each Proforma franchise is independently owned, operated and licensed to do business under the Proforma name.

PFG Ventures is authorized by the franchise owner to perform administrative duties which include paying the vendors with whom they conduct business.

Since each franchise will contract with your firm to do business on a job by job basis, it is to be understood that the vendor/customer relationship is between your firm and the Proforma franchise. Each Proforma franchise should be viewed individually as it relates to their credit account with your firm with consideration given to Proforma's overall purchasing strength.

By order of this letter, PFG Ventures will guarantee payment on the following purchase order up to the maximum amount. This guarantee is only valid upon satisfactory completion and delivery of the order. If you have not received payment within 60 days from the date of the invoice, please contact this office immediately. This Letter of Guarantee is valid for a maximum period of 120 days from the date of this Letter. This guarantee is not transferable, and any such attempt shall be null and void.

Purchase Order: #P336001194E

Amount: \$1,840.50

It is my hope that by guaranteeing this order for the franchise owner stated above, your firm will grant credit to any Proforma franchise that applies for credit. I look forward to hearing from you with questions regarding this arrangement and I am sure that we can both enjoy a profitable relationship.

Please call me at (216) 520-8400 if you have any questions in this regard.

Very truly yours,

Dawn Yandura
