

Phone Caddy Demo

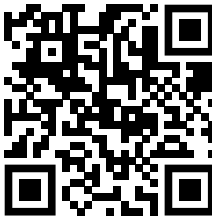

Desert Fox Golf has provided a Phone Caddy to use during your round today. If you like the Phone Caddy you may purchase one in the pro-shop after your round for **\$25**.

See backside for instructions.

Keep your phone safe and at your fingertips with our fully adjustable phone holder for golf carts. Visit us at www.desertfoxgolf.com for more cool products.

Scan the QR code with your phone's camera to get a quick instruction video or check out the instructions below.

Instructions:

1. Remove Phone Caddy from golf cart
2. Loosen top & back thumb nuts
3. Spread wings apart
4. Push faceplate all the way back
5. Insert phone
6. Squeeze wings together
7. Tighten back thumb nut
8. Press top thumb nut towards phone until the top of the faceplate rests against phone
9. Tighten top thumb nut
10. Re-install on golf cart
