

Retail New Vendor Request

We are excited to pursue a new business partnership with you and further expand our assortment in the retail division here at Yaamava Resort and Casino. In order to purchase from your company, we first have to establish your company as an approved vendor for YRC. Here are the next steps for vendor set up with us.

Please pay close attention to the following details required for vendor set up. (Required information is to be provided in one clean email, in the order requested below)

Name of Brand/Vendor: Desert Fox Golf

Legal Name, if different: Desert Fox Golf, LLC.

Date Requested: 1-15-2024

Terms and Conditions, including payment terms and damage policy: Net 30 payment terms. Damaged items that are identified upon receipt can be returned for a refund or replaced free of charge.

Types of service and/or product provided: Phone Caddy, DrinkAide tumbler and can coolers, DJ-10 Speaker

Contact information for rep and the person responsible for setting up the account. Please clarify if it is a separate person other than the rep. Scott Kovesdy | scott@desertfoxgolf.com | 480-628-3611

Ship from (City, State): Mesa, AZ

Opening Order Requirement: No min order size

Reorder Order Requirement: No min order size

Lastly, **please send a copy of your W9** with October 2018 in the upper left hand corner completed (please double check your dates before sending, we will not accept it if it's not dated correct)

If you need any materials/documents for us to review and/complete, please send them with this information. (If you have nicely sent some of these documents already, please include them again in your email with the required information listed above. We need all information in regards to your vendor account grouped together for efficiency.)

Once you have provided all the requested information listed above, we will proceed with our steps to establish your company as an approved vendor. During this process, you can expect a phone call from Susana Zamora or Samira Rivera who will navigate with you through all the next steps. When your company is approved and set up in our system, I will send you an email with the great news that you are approved. When you are approved and set up, we can move forward with choosing assortment and PO's. This process can take 3-6 weeks depending on requirements from your side and our side.

At any point, you may have questions please direct them to Chelsea Marek (Chelsea.Marek@yaamava.com).

Please note, that any future orders cannot be shipped or delivered to YRC unless you have received an official PO from our purchasing team. (They will refuse the order at our warehouse)

Thank you for your time and efforts.
